MANHATTAN
BRINGING COMPUTERS TO LIFE

SuperSpeed USB Desktop Hub

4 Ports, AC Power

Model
161220

Powerful, fast SuperSpeed USB performance in a multiport hub.

The MANHATTAN® SuperSpeed USB Desktop Hub easily expands USB access for desktop and notebook computers to connect more peripherals and mobile devices. Create more connections for SuperSpeed USB devices including storage, Web cameras and more. It's backwards compatible to previous USB standards, providing versatility for attached devices. The compact and durable plastic case features the power and hub-to-PC ports on the side panel to help better organize connections and minimize cable clutter. Plug and Play with hot-swap capabilities, Windows and Mac compatibility and data transfer speeds up to 5 Gbps help the MANHATTAN SuperSpeed USB Desktop Hub consolidate numerous, less-capable hubs into a single USB solution.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

LIFETIME WARRANTY

LIFETIME WARRANTY

Model
161220
